

# Buckhannon Police Department Volunteers In Police Service (VIPS) Program 2025 Annual Report

## **Membership and training**

- VIPS began 2025 with twelve active members, and had six deactivations during the year. We ended 2025 with six active members.
- We continue to enhance our member training to align with the Buckhannon Police Department and the Federal Emergency Management Agency's (FEMA) National Incident Management System (NIMS).
- Our training covers ethics, basic medical, basic search and rescue, basic fire suppression, traffic and crowd management, basic and advanced disaster / multi casualty incident (MCI) management, as well as other topics and skills. In 2023, we began aligning our training schedule with that of the police officers to better achieve CALEA standards. With the exception of the firearms training and the state police academy, VIPS members and BPD officers will receive almost identical training.
- A current list of training requirements and recommendations is listed on pages 7-8.
- If you or someone you may know is interested in joining the VIPS program, or would like more information, visit [www.buckhannonpolice.com/vips.html](http://www.buckhannonpolice.com/vips.html).

## **Attended Events**

- VIPS were requested for and participated in 127 public and private events in 2025 by providing traffic control, foot patrols, and enhancing public relations between law enforcement and our community. There were no public health related events and no emergency responses.
- See pages 4-6 for a complete list of this past year's events.

## **Hours Volunteered**

- In addition to assisting with the listed events, VIPS members also assisted the department with administrative tasks, business security checks and by performing ride along details with officers.
- VIPS volunteered over 1560 hours during 2025, allowing officers to tend to other enforcement related situations during those hours and potentially saving the city over \$45,500.00 in labor. *(Savings are calculated based on the current value of a volunteer hour for the state of West Virginia, which is \$29.13 according to [www.independentsector.org](http://www.independentsector.org). For comparison, the overall national value of a volunteer hour is \$34.79.)*
- The chart on page 2 breaks down VIPS 2025 hours by month and member. Our annual hours are tracked from December 1 – November 30.
